ORDER

On consideration of the petition for rehearing filed by plaintiffs-appellants on June 14, 2002, all of the judges on the panel have voted to deny the petition. Accordingly,

IT IS HEREBY ORDERED that the petition for rehearing be, and the same is, hereby DENIED.

On its own motion, the court hereby AMENDS its opinion of May 31, 2002, as follows: The sentence which begins on the last line of page 13 and carries over to page 14 ("Specifically, the plaintiffs identify . . . a consequence of her cerebral palsy.") is deleted and replaced with the following sentence: "Specifically, the plaintiffs identify Dr. William Morris, Amanda's pediatrician, who opined two weeks after the alleged abuse that her bruises could be consistent with falling down, a consequence of her cerebral palsy."

So ordered.
